Youth Sports Code of Conduct

Preamble

The essential elements of character building and ethics in sports participation are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of sports is achieved when competition reflects these “six pillars of character”.

I therefore agree:

1. I will remember that children participate in sports to have fun and that the game is for the youth, not the adults.
2. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
3. I will learn the rules of the game and the policies of the league.
4. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, by demonstrating positive support for all players, coaches, officials and spectators at every game, practice and other sporting event.
5. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player or parent such as booing and taunting, refusing to shake hands, or using profane language or gestures.
6. I will not encourage any behaviors or practices that would endanger the health and wellbeing of the athletes.
7. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
8. I will demand that my child treat other players, coaches, officials and spectators with respect; regardless of race, creed, color, sex or ability.
9. I will praise my child for competing fairly, executing the required skills and trying hard to improve.
10. I will emphasize skill development and individual effort over winning.
11. I will cultivate age appropriate expectations for my child and his/her teammates.
12. I will promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.
13. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field; I will take time to speak with coaches at an agreed upon time and place.
14. I will demand a sports environment for my child that is free from illegal drugs, tobacco, alcohol and vulgar language, and I will refrain from their use at all sports events.
15. I will refrain from coaching my child or other players during games and practices, unless I am one of the official coaches of the team

I also agree that if I fail to abide by the aforementioned rules and guidelines, I will be subject to disciplinary action that could include, but is not limited to the following:

- Verbal warning by official, head coach and/or head of league organization
- Parental game suspension; written documentation of incident kept on file by BPRD; child suspension will result if parent is suspended
- Parental season suspension
- Referral to legal authorities
